DECLARATION FOR PATENT APPLICATION

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled

WIRELESS SERIAL PORT TRANSCEIVER

the specification of which (check one)

- (X) is attached hereto.
(X) was filed by an authorized person on my behalf on _____
as Application Serial No. _____
and was amended on _____.
(if applicable)

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, §1.56.

I hereby claim foreign priority benefits under Title 35, United States Code, §119 of any foreign application(s) for patent or inventor's certificate listed below and so identified, and I have also identified below any foreign application for patent or inventor's certificate on this invention filed by me or my legal representatives or assigns and having a filing date before that of the application on which priority is claimed.

ASSIGNMENT

Whereas we John P. Brown of 605 Lake Avenue, Franklin, OH 45005 USA;
Terry L. Tincher of 391 Greengate Drive, Lebanon, OH 45036 USA; and
Donald A. Morrison of 1238 Amberwood Court, Bellbrook, OH 45305 USA

_____ have invented certain new and useful
improvements in a WIRELESS SERIAL PORT TRANSCEIVER (Docket M-593)

_____ and have executed an application for United States patent based thereon on even date herewith;

AND WHEREAS, MONARCH MARKING SYSTEMS, INC., a corporation organized and existing under the laws of the State of Delaware and having its place of business at Dayton, Ohio 45401, U.S.A., is desirous of acquiring certain rights thereunder;

NOW THEREFORE, for one dollar and other good and valuable consideration, receipt of all of which is hereby acknowledged, we have agreed to and do hereby sell, assign and transfer unto said corporation the entire right, title and interest, in and throughout the United States of America (including its territories and dependencies) and all countries foreign thereto, in and to said invention, said application and any and all patents (including extensions thereof, and all the rights under the International Convention for the Protection of Industrial Property including the right to claim for any foreign patent application the priority date of the corresponding U.S. Patent application) of any country, which have been or may be granted on said invention or any part thereof, or on said application or any divisional, continuing, renewal, substitute, reissue or other patent application based in whole or in part thereon, or based upon said invention;

TO BE HELD AND ENJOYED by said corporation, its successors and assigns, to the full ends of the respective terms for which said patents or any of them have been or may be granted, as fully and entirely as the same would have been held and enjoyed by us had no sale and assignment of said interest been made;

AND WE hereby authorize and request the Commissioner of Patents and Trademarks of the United States of America to issue any and all United States patents which may be granted upon said

United States application or any of them, or upon said invention or any part thereof, to said corporation;

AND WE hereby agree for ourselves and for our heirs, executors and administrators, to execute without further consideration any further lawful documents and any further assurances, and any divisional, continuing, renewal, substitute, reissue, or other applications for patents of any country, that may be deemed necessary by said corporation fully to secure to said corporation its interest as aforesaid in and to said invention or any part thereof, and in and to said several patents or any of them;

AND WE do hereby covenant for ourselves and our legal representatives, and agree with said corporation, its successors and assigns, that we have granted no right or license to make, use or sell said invention to anyone except said corporation, that prior to the execution of this deed our right, title and interest in said invention had not been otherwise encumbered, and that we have not executed and will not execute any instrument in conflict herewith.

IN WITNESS WHEREOF, we have hereunto set our hands and affixed our seals this 9th day of October, 1997;

John P. Brown

Terry L. Tinscher
